First, repeat after your tutor. Then, practice each role.

Aiko: Dad, can you give me some **advice on** a science project?

John: I'm all ears.

Aiko: I want to show how electricity works. But it may be too difficult.

John: I see. Do you have other ideas for a project?

Aiko: I can't think of anything else. Can you help me?

John: Let's talk about it over dinner.
