

## Lesson 49: At the Movie Theater

By Xandra

### 1. Dialogue

First, repeat after your tutor. Then, practice each role.

Toshi: Oh, no! The ticket line is really long.

Paul: The movie is starting in twenty minutes. Do you think we can **make it** to the next show?

Toshi: We have to try. Why don't I get in line for the tickets while you get us some popcorn?

Paul: That may be a good idea but there's also a long queue at the popcorn stand.

Toshi: I guess we'll not be munching popcorn this time.

Paul: That's alright. I probably won't have the stomach for any food in this movie.

Toshi: What do you mean? What kind of film is "World War Z"?

Paul: Don't you know? It's about flesh eating zombies.

### 2. Today's Phrase

First, repeat after your tutor. Then, make a few sentences using Today's phrase.

1. (On the phone) I don't think I can **make it** in time for the party. I still have a lot to do in the office.
2. Look at that traffic! I'll never **make it** on time.
3. (On the phone) Hello. I'd like to order a large pizza. I'm in a bit of a hurry. Can you **make it** to my house in thirty minutes?

\* **make it** / 時間に間に合う、うまくいく、何とかする

### 3. Your Task

You are watching a movie. Two people seated in front of you are talking a bit loudly so you are getting distracted.

Talk to these people (=your tutor) and politely tell them to be quiet.

### 4. Let's Talk

How often do you watch a movie? What kind of movies do you watch?

Do you prefer to see films in your home entertainment system  
or in a theater? Why?

### 5. Today's photo

Describe the photo in your words as precisely as possible.
