By Xandra

1. Dialogue

First, repeat after your tutor. Then, practice each role.

Bob: How will you spend the long holiday?

Akiko: I'd like to visit my hometown.

Bob: Do you plan to stay there for the entire vacation?

Akiko: Yes. I miss my mom's cooking. What are you **planning for** the holiday?

Bob: I'll just be staying home.

Akiko: Why don't you come with me?

2. Today's Phrase

First, repeat after your tutor. Then, make a few sentences using Today's phrase.

1. What are you **planning for** your birthday?
2. The teachers are **planning for** the school outing.
3. Are you **planning** anything **for** the weekend?

* plan for ... / ...の (為の) 計画を立てる

3. Your Task

Your parents just told you that you can throw a party on your next birthday. You would like to make it a memorable birthday. Your parents (=your tutor) would like to know about your plans. Tell them what you'd like to do at your party.

Tell your teacher why.
