By Xandra

1. Dialogue

First, repeat after your tutor. Then, practice each role.

Bobby: (in a supermarket) Hi, Yukiko. Doing your weekly food shopping?

Yukiko: Why, yes. I am. (looking at the items in Bobby's cart). You have a lot of meat in there.

Bobby: I'm making pot roast for dinner. I got minced meat for my burger patties. The butcher also sold me some Australian lamb. I couldn't say no.

Yukiko: They all sound delicious. Do you prepare your meals yourself?

Bobby: Yes, I do. Cooking is a way for me to relax. What about you? Do you cook?

Yukiko: I can but I'm not good at it. Unlike you, I stress out in the kitchen. The food **ends up** burned, dried up, too salty or too bland.

Bobby: What do you usually make?

Yukiko: Instant noodles. They are quick and easy. I don't have to worry about burning them.

2. Today's Phrase

First, repeat after your tutor. Then, make a few sentences using Today's phrase.

1. You bought too much food again. Most of this food will just **end up** in the garbage.
2. After travelling around the world, she **ended up** as an English teacher in Japan.
3. I was hoping to get home early but I **ended up** stuck in traffic for two hours.

* end up ... / 結局...になる、最後は...で終わる

3. Your Task
