

Lesson 74: Food

By Xandra

1. Dialogue

First, repeat after your tutor. Then, practice each role.

Tim: Can you recommend a vegetarian restaurant?

Daiki: Why? Have you suddenly turned vegan?

Tim: I'm taking someone out for dinner. My date doesn't eat meat.

Daiki: I never thought of you as a veggie lover. I've seen you devour a whole roast chicken in a matter of minutes.

Tim: To tell you the truth, I'm not fond of eating greens. But I like this woman.

Daiki: Why does it have to be a vegetarian restaurant? She can pick a meatless dish from the menu.

Tim: I want to impress her. I'm even preparing myself for a vegetarian night out.

Daiki: How are you getting ready?

Tim: Before meeting her for dinner, I'm going to eat the biggest burger I **can get my hands on**.

Daiki: I see what you mean. That's really smart.

2. Today's Phrase

First, repeat after your tutor. Then, make a few sentences using Today's phrase.

1. Jack collects antique vases. He buys every old vase he **can get his hands on**.
2. When I was young, I read every Jane Austen book I **could get my hands on**.
3. You have to hide the cookies from my sister. She'll munch on any treat she **can get her hands on**.

* can get one's hands on / 手に入れることができる、手にできる

3. Your Task

You are having a big party for your child and you decided to hire a caterer. Tell the caterer (=your tutor) what food you'd like to serve for the birthday party. The food has to be appealing both for young and old people at the party.

4. Let's Talk

Do you try to maintain a balanced diet? Explain your answer.

What do you think about American or European food?

Do you prepare your own meals? Why or why not?

5. Today's photo

Describe the photo in your words as precisely as possible.
