

## Lesson 77: Fashion

By Xandra

### 1. Dialogue

First, repeat after your tutor. Then, practice each role.

Junko: You look nice today. What are you **all dressed up** for?

Beth: It's Mother's Day today. My husband is taking me out to dinner.

Junko: That color suits you well. I've never seen you wear that dress before.

Beth: This old thing? It's been sitting in my closet for years.

Junko: Do you have a lot of old stuff I could borrow? I'm starting my new job tomorrow. There's a strict dress code in the office and I don't have anything to wear.

Beth: No problem. I never go anywhere anyway. Just take whatever you like from my wardrobe.

Junko: Anything?

Beth: On second thought, don't touch the Chanel, Yves Saint Laurent and Issey Miyake collections. They cost me a lot.

### 2. Today's Phrase

First, repeat after your tutor. Then, make a few sentences using Today's phrase.

1. Jack is **all dressed up** for work.
2. I'm **all dressed up** but I've got nowhere to go.
3. Why are you **all dressed up**?

\* all dressed up / きちんとした服装をした、めかし込んだ

### 3. Your Task

You are a store manager. You have just hired new workers for the shop. Tell them (=your tutor) about what they can and cannot wear at work.

### 4. Let's Talk

Are you fashion conscious? Explain your answer.

Is it important to be always in fashion? Why or why not?

What do you do with your old clothes?

### 5. Today's photo

Describe the photo in your words as precisely as possible.
