By Xandra

1. Dialogue

First, repeat after your tutor. Then, practice each role.

Miyu: How was your trip to the Maldives?

Daniel: It was wonderful. I was on a private island and I enjoyed every bit of it.

Miyu: A private island? Does that mean there weren't any people around?

Daniel: The resort staff was there. I heard that there were some guests on the other side of the island.

Miyu: It must be relaxing to be away from the **hustle and bustle** of the city.

Daniel: The beach was majestic. I could sit on the beach all day sipping coconut juice and listening to the calming sound of the ocean waves. Oh, and the smell of the air was incredible!

Miyu: I can just imagine how pretty the sunset must have been.

Daniel: Everything went well until a raging thunderstorm happened.

Miyu: What did you do then?

Daniel: I stayed inside for a whole day watching TV and surfing the internet.

Remember that the vacation place must be child-friendly.
